## WHAT TO PACK

**Keep it simple. Travel light. Make the most of the daily laundry service.**

### Fitness Sessions

4 sets workout gear as a minimum. Sports water bottle. Sweat towel if you use one.

### Yoga & Stretch Sessions

Comfortable stretch pants and t's

### Walks & Treks

Workout gear works best. Bring gear, including sport shoes that you don't mind getting wet and dirty at times

### Shoes

We spend a lot of time outdoors, so pack suitable sandals or thongs. Preferably bring 2 pairs of sport shoes as this allows time for one pair to dry if necessary. Old shoes are best!

### Everyday

Lightweight casual clothes for the tropics.

**Long sleeve sweater/t and pants for the surprisingly cool evenings/early mornings.**

Sleep in whatever is comfortable for cool nights.

Hat, sunglasses, sunscreen, umbrella, insect repellent, refillable water bottle.

### Beyond Bali Trek/Hot Springs

Be prepared for cold conditions at the summit. Wear layers. A nylon wind jacket is a good idea.

Daypack. Small torch, preferably a headlamp. Refillable water bottle.

Sport shoes are fine, but some people feel more comfortable in light hiking boots.

We provide a rattan walking stick.

Swimming gear including goggles if you like to do laps.

### Bits & Pieces

Bring an adaptor suitable for Indonesia.

Reusable shopping bag or daypack. Help reduce plastic shopping bags in Bali.

Camera.

Book. (We have a library of books to share).

### Banned Narcotics

Don't even think about it packing them! You will be terminated from the property.

*Pack your sense of curiosity and wonder.*

*Leave the expectations at home.*

*You are about to have a very unique experience.*

## HANDY TRAVEL HINTS

### The Airport

**Ensure that your passport is valid for 6 months with 1 empty page.**

Hotel details for incoming immigration card:

**Retreat name:** Ayung Sari Indah **Retreat Address:** Desa Singaprang, Bali

Visa On arrival. Cash only accepted. Check your home country terms.

### Group Transfers

Group transfers are to/from the airport/nearby hotels and Ubud area. Flights must arrive by 1.30pm to meet the transfer schedule. You will be advised of group transfer arrangements once all guest details are confirmed. Private transfers from the airport or other destinations in Bali can be arranged at additional cost. We do recommend that you arrive in Bali one day early. Avoid the stress of flight delays and give yourself a chance to recover from your travels and time zone changes.

\*We pick up from the airport and hotels in Kuta, Legian, Seminyak, Ubud and Sanur. The following areas are outside our pick up zone - Jimbaran, Nusa Dua, Canggu and anywhere on the east coast of Bali.

### Money

Local currency is Rupiah (IDR). The exchange rate does fluctuate daily.

Its easy to change money, don't bother trying to get Rupiah in your home country.

ATM and currency exchange is available at the airport and in all tourist areas.

You will only need cash for your personal extras whilst on retreat. Please note we don't have credit card facilities.

### Drinking Water

Only drink bottled water, including cleaning your teeth. We provide clean spring water for drinking to each bungalow. You can refill your water bottles throughout the retreat.

### Staying In Touch

We have mobile phone reception, but no landlines or WiFi. Text messages work best. Even better, take a digital detox. Reconnect with yourself and your surrounds.

### To use your phone with a local sim card:

- your phone must be unlocked by your carrier BEFORE you leave home

- bring the device to release the sim card

- **buy new sim card BEFORE you arrive at the retreat.** We can buy phone credit for you as needed. (cash payment)

If you plan to use global roaming it must be organised BEFORE you leave home. Indonesia code is +62

### Meals

Meals are a delightful time at sharing Bali. We all eat together and our style is genuine village style Balinese food. No preservatives, nothing packaged. Just fresh food. Very gluten and lactose intolerant friendly.

**For safety reasons we are unable to accept guests who have a fatal allergy to any foods. We are not equipped to serve separate meals. Please confirm any special dietary requirements prior to booking.**

### Alcohol

We serve only the local beer. Feel free to bring your own wine and spirits. Juices, tonic, soda, ice, limes etc. are available as mixers.

### Safety

**Travel insurance is compulsory for all of our guests.**

Please bring 2 photocopies of your passport photo page for local registration purposes.

**Be responsible about any medical conditions you may have.** Pack your medications and prescriptions as necessary.

Our treks and outdoor activities can be quite adventurous. Our staff and guides provide a lot of assistance when needed to keep everyone as safe as possible. You don't need to be the fittest or the fastest but you do need to have a general level of fitness and enough mobility to be able to undertake a minimum 1-hour hilly hike unassisted. If you have injuries that considerably reduce your mobility, especially on hills, it may be best give to skip the treks to avoid risk of further damage to your injury.
